SchoolFood Internship Program

ABOUT US:

The New York City Department of Education is the largest system of public schools in the United States, serving about 1.1 million students in over 1,700 schools. SchoolFood serves around 850,000 meals to these students each school day. Of these, over 700,000 meals are provided at no charge to the students or their parents. Over the past decade, SchoolFood has made tremendous strides in improving the nutrition and taste of our meals. We are committed to promoting healthy food choices among our students and maintaining high nutritional standards while offering delicious and satisfying menu choices.
